From the Desk of Chairman

Trust of our customers is key to our success..!

It's the proof of their confidence in our commitment to deliver on the promises and doing what's best for them.

Falcon Pack celebrates its three decades of serving its valued customers. We started with one mission - to offer the broadest range of top quality products and services to consumers, while maximizing their value for money. Now, three decades later that mission is still the same.

"We're amazed at how far we've come, and how many lives we've touched."

We strive to deliver the most innovative quality products to our valued consumers, along-side the unshaken commitment toward Sustainability, Customer Centricity, Operational Excellence, and Regulatory Compliance.

As a responsible corporate citizen, our goal is to work for the positive environmental and societal outcomes. We are an active member of Green Business Network (GBN) - Environment Agency Abu Dhabi, and Emirates Environment Group (EEG) - Dubai.

Over the past three decades our customers have helped us expand across GCC and reach markets of over 65+ countries around the globe, launching thousands of products and make "Falcon" the brand loved by all...

We are also a proud winner of Sheikh Khalifa Excellence Award (Gold category - Manufacturing) and Sharjah Economic Excellence Award.

Our certifications covering ISO 9001, 14001, 45001, 22000, FSC, PEFC, BRC, along with EQM & ECAS certifications of conformity, are a proof of our devotion for operational and product excellence.

Ever increasing range of our products and services can't be wrapped in this catalogue. Yet, this is an attempt to showcase some of them to meet the requirements of our esteemed customers.

We thank you all for Your trust and look forward to Your support and feedback that helps us continue our journey of enhancing our products and services.

Ahmed Al Shamsi
Chairman

Your food is safe with us

“Falcon Pack strives to set the standards for Product Excellence in the packaging industry, through precision, dedication, and innovation and aims to continue delivering solutions and products that exceed expectations.”

About The Company

Falcon Pack is one of the leading disposable food packaging manufacturers in MENA region, with the broadest range of disposable food packaging products, dedicated to providing top quality solutions to customers across the world..

- **Our Commitment** to providing quality products and services has earned us a loyal customer base, and we strive to continue to exceed their expectations.

Our Vision

To be a regional leader and global player in providing complete disposable, food packaging solutions to food service and household consumers.

Our Mission

To become the number one provider of complete disposable, food packing solutions in quality, hygienic and safe products which offers customer delight.

Our Vision is built on the foundation of uncompromising principles of :

- Quality** : Best in Class Products and Services
- Reliability** : Integrated Purchase, Stores and Sales Operations ensuring availability
- Value** : Expertise, Efficiencies and Economies drive the competitive value of our products

Infrastructure

In order to respond to the overwhelming demand of the market, Falcon Pack has been expanding its infrastructural portfolio proactively since its inception in 1992. Currently, we have more than 45+ active physical units in UAE and GCC, consisting of offices, factories, warehouses, distribution branches and retail outlets (Sales Centers).

Our core units include, New Head Office building in Sharjah Industrial Area 15, UAE. Accompanied by an active storage and distribution facility (Sharjah), and two demand-adequate size production units, in the same vicinity.

In UAE, our other key facilities are located in Ras Al Khaimah (RAK) and Umm Al Quwian (UAQ) Emirates of UAE. Both facilities offer remarkable capacity for multiple operations like manufacturing, storage, staff accommodation etc.

Alone, UAQ facility is approximately 1M sft in size and hosts Paper, Plastic & Detergent factories along with technologically advance warehouse.

Falcon Pack's overall warehousing capacity in UAE exceeds 300K+ sq.ft, in size, with high count of closed vehicles to have efficient logistics & distribution.

Outside of UAE, our manufacturing unit is operational in Jeddah - KSA, and serves the packaging demand of local and regional markets of MENA.

Our online E-Commerce Store serves B2C & B2B customers and aims to maximize the convenience & experience of consumers across GCC and around the world.

Along with its disposable food packaging business, Falcon Pack also takes pride in its detergent manufacturing stream, and maintains a highly capable production unit. This wing enjoys a major share in UAE, GCC and MENA markets through its broad range of homecare, personal hygiene and laundry products, and constantly innovates and introduces new products and solutions.

Management Systems & Certificates

Falcon Pack Industry LLC (FPI) is committed to providing customers quality, food safe products and services that shall be delivered on time, with the cost and by causing no or minimal impact to the health & safety of personnel and the environment.

Falcon pack always strives to achieve a right balance of legal, social, economic and environmental commitments. The IMS of Falcon pack ensures quality and food safe products for its customer, protection of the environment, safe, healthy and sound work conditions for all employees, suppliers, subcontractors, other interested parties and general public.

The Management and staff of Falcon pack shall achieve this by:

- Clearly defining processes that are continually improved to meet customer requirements and result in customer satisfaction.
- Ensuring a reasonable return of our efforts, thus allowing Falcon Pack to prosper and grow as a business, to ensure continued and improved product range and services to its valuable customers and other stakeholders.
- Continuing to best manufacturing practices, legal laws & regulatory requirements, applicable international standards and codes.
- Identification and elimination of the potential environmental impacts (OH&S and food safety hazards) in our business operations or any an effective control and monitoring method at those points critical to our operations (quality, food safety, environmental and OH&S).
- Making every effort to protect the environment and prevent pollution and to optimize consumption of resources, energy and water, to prevent recycling and reduce both production and waste management.
- Providing suitable infrastructure, safe and healthy working conditions and other necessary resources for welfare of all employees, sufficient for meeting operational requirements.
- Providing employees with training to constantly enhance their skills and to contribute to the continual improvement of the IMS.
- Preventing injury, cases of work related incidents and stress by educating our employees and other interested parties.
- Consulting of employees, suppliers and our contractors to enhance effectiveness of the IMS and encourage participation of all employees in decision making, hazard identification and incident investigation etc.
- Developing strategic in suppliers, staff and customers appreciation of their role in improving the IMS both as member of Falcon Pack and the society at large.
- Clearly defining measurable IMS Key Performance Indicators that shall be consistently monitored through the Performance Management System.

Falcon Pack will ensure that the integrated Management system policy is implemented, communicated and understood within the organization and made available to all interested parties.

Self-Declaration
regarding FSC POL-004
(Policy for the Association of Organizations with FSC)

Falcon Pack Industry LLC (Falcon Pack) is associated with the Forest Stewardship Council (FSC), Mexico, as one of its subsidiaries or affiliates (hereinafter "FSC") by being a member of or being a contractual relationship with FSC. Falcon Pack hereby states that it has read and understood the "Policy for the Association of Organizations with FSC" as published under (www.fsc.org). This policy represents FSC's position with regard to unacceptable activities by organizations and individuals which already or would have to be associated with FSC as well as for the purposes of association with FSC, and it is hereby or hereby included in the following unacceptable activities:

- Illegal logging or the trade in illegal wood or forest products.
- Violation of traditional and human rights in forestry operations.
- Destruction of high conservation values in forestry operations.
- Significant conversion of forests to plantations or non-forest uses.
- Introduction of genetically modified organisms in forestry operations.

In addition, Falcon Pack recognizes that the process established by the International Labor Organization through the 1998 Declaration on Fundamental Principles and Rights at Work (the "Principles") leads to gain governments in the protection of the basic rights of the workers without deferring a workers claim for any reason to follow. Based upon these Principles, and consistent with applicable national law, rights, regulations, and administrative codes and procedures, Falcon Pack shall respect:

- Freedom of association and the effective recognition of the right to collective bargaining.
- The elimination of all forms of forced or compulsory labor.
- The effective abolition of child labor.
- The elimination of discrimination in respect of employment and occupation.

ENERGY CONSERVATION POLICY

As part of our environment strategy, Falcon Pack is committed to responsible energy management and will practice energy efficiency throughout all of its facilities, plant and equipment, wherever it is cost effective to do so and reduce greenhouse gas emissions to protect the environment.

The objective is:

- To gain control over energy consumption by reviewing and improving operations.
- To reduce the amount of pollution, particularly CO₂ emissions caused by our energy consumption.
- To sustain the energy efficiency gains by establishing and maintaining a Management Information System designed to ensure that information is delivered to those who need it on time and in a form which supports their managerial decision making.
- To provide resources, organize training and motivate the employees for energy management.

Falcon Pack will ensure that the Energy Conservation Policy is implemented, communicated and understood within the organization for desired gains and made available to public.
